Rental bikes, Ancient rural house converted into a charming inn, located in a quaint hill town of Casale Monferrato which is about one hour's drive from the main centers of northern Italy. From here you can visit the towns of Casale Monferrato, Asti and Vercelli and discover the villages and landscapes of Monferrato and the nearby areas of Roero and Langhe. In an hour's drive you can reach the Lake Maggiore and Lake Orta. For sports enthusiasts there is a tennis court in the village (about 300 meters from the property) and a golf course about 5 km away. The area is ideal for walking and mountain biking. It has rooms and suites, exclusive Wellness Center with vino-therapy and a typical restaurant. Panoramic outdoor swimming pool with whirlpool and Day Spa with heated swimming pool and bio sauna.

Wine production and visits to the cellars with tastings. The structure consists of several rural houses renovated with love and attention to detail, in which some new rooms and several apartments fully equipped and furnished with antique furniture have been created. It is possible to stay for 1 night in bed and breakfast or for a weekend enjoying the typical local cuisine and relaxing in the various wellness areas, alternatively you can rent the apartment for a week and discover an untouched territory.

The Restaurant 'San Sebastiano', open during weekends and holidays or by reservation is a place of great charm, ideal for couples, groups of friends or companies looking for a quiet and atmosphere where to taste cooking closely linked to the farming culture of the house and of the land, combined of course with the famous wines of Monferrato produced by the owners themselves in the cellars of Camino, which can be visited on request.

The hotel offers several wellness areas: the Divinum wellness center is an area that can be accessed in absolute exclusive and privacy (mainly in couples or small groups) and where you can book a 'wellness circuit' that lasts 2 hours with wine therapy, steam bath with aroma therapy and chrome therapy, contrast cascade shower, multi-jet whirlpool bath and relaxation area; The brand new Acquaviteae Wellness Center offers a small but delightful indoor and heated pool and various hydro massage stations (including a very suggestive 'tub in the cave') plus a bio sauna, a relaxation area with unlimited herbal teas, various areas with cabins where you can choose different types of massages and face and body treatments, all based on revitalizing and anti-aging properties of the grapes.

Try the 'Revitalizing treatment with' grape seed mud ', ideal for restoring skin tone of the face and body. There are a number of areas with exclusive access: one for couples' vino-therapy and a relaxing herbal bath. You can also combine one or more activities at the Day Spa with the cuisine of the Resort restaurant, based on the seasonality and genuineness of local products. The structure also has an outdoor swimming pool for the summer (available to guests). On Sunday mornings we hold tastings and sell wine and local products in the wine-producing cellar.
