

AL PILOTA

Category: Restaurants and taverns

business description: A leap forward for this fish restaurant, in the outskirts of the town, or better in the Orti district, which is home to the airport. Anyone wanting to satisfy their desire for fish will find plenty of choice here. There is everything; from raw fish to the more prized pieces. The indoor setting is a simple room which fills quickly every evening; outside, there is a highly popular dining deck. Excellent selection of wines.
