

BEERHOUSE

Category: More
business description:

White walls and parquet floors for this first store dedicated entirely to the blonde beverage. Opened in 2009, the store's shelves are stocked with more than 300 Italian and international beer labels and a space dedicated to Piedmontese craft breweries. Hence, 50 malts for homebrewing, special, organic or gluten free beer for coeliacs, some delicacies such as sweets and shortbread cookies made with beer, books and gadgets. They organise tastings and participate in beer-related events.
