

Enoteca Regionale Acqui "Terme e Vino"

Category: Regional Wineries
business description:

The Regional Wine Store was opened in 1981 and is located in the underground premises of the 16th century Palazzo Robellini, in typical Piedmont style. These characteristic environments are home to a collection of traditional tools connected with the local world of the vine and wine. More than 140 associated wineries and 300 labels promote and enhance the territory.
