

KAMUN

Category: Brewery

business description:

Brewery opened by a group of friends passionate about the world of beer. The brewer Gian Paolo Camurri is the creator of Prima Lux, a golden ale with 6 types of fresh hops; Laetitia, a light-bodied white beer, particularly drinkable and thirst-quenching; Occasum, a special amber beer flavoured with karkadè, cinnamon, orange and ginger; Nocturna, a black beer with a small percentage of dried smoked malts. Finally, Res Rosa, a special beer produced in 1000 bottles to mark the brewery's anniversary made with karkadè, a slight "marsala" taste but pleasant and fresh. They can be bought directly in the brewery
