The passion has been handed down from father to daughter and today Michela, Doretta and Patrizia carry on the family dream with the same emotion. Today, La Marengo owns 80 hectares of estate vineyards, where it grows typical vines of Monferrato and particularly the aromatic Moscato and Brachetto, the Cortese and the reds Dolcetto Barbera and Albarossa. The winery, built in 1950, is situated in the centre of Strevi Alto. All phases are carried out here, from the vinification to the packaging. Marengo has invested heavily in the winery to produce high quality aromatic wines.
